

HALLOWEEN PARTY

October 31, 2025

Location: Language Garden Montessori School

Time: 10:00-10:45am

There will be a halloween celebration for the students in class on October 31st. Your students are welcome to come dressed in their halloween costumes. After the party, teachers will help children change back into their regular clothes if needed. Please have your child bring in some candy (NUT FREE), toys, stickers, etc. to be added to the piñata during the week *before* the party (October 20 - 24). Each student brings a bag with about 20 candies/treats. All the children and families are invited to join the party, even if it is a day that the student is not usually scheduled for. We are looking forward to the celebration with you all!
